

Dear Families,

Welcome back to school! I am eager to start the new year with your child's name. I will be providing learning support services to your child this school year. I value your parental involvement and look forward to our collaboration.

I will be setting up an annual IEP meeting to discuss your child's progress and answer any questions you may have. You are always welcome to contact me about your child's IEP goals.

All school students will be involved in team building activities in the classroom. I will be joining these activities to have an opportunity to know you better. This is always a fun time at school.

I am a 5th grade elementary teacher and I'm looking forward to a
