

Dear First Grade Families,

My name is Julia Fagan, and I am very excited to introduce myself to you as your child's 1<sup>st</sup> grade teacher for the 2024-25 school year. I hope you are all having a wonderful summer and enjoying the last few weeks with your kids before we head back to school. I am looking forward to getting to know each of your children and hearing all about their summer adventures. Before we have the chance to meet in person, I will tell you a little about myself. I have spent my whole life living in Central Bucks attending Pine Run, Tohickon, and CB West. For college, I attended Penn State University and received my degree in Early Childhood Education. After graduating, I knew I wanted to return to Central Bucks as a teacher, and I could not be happier to be teaching first grade at Butler!

Outside of school, I enjoy spending time with my friends and family, traveling, trying new restaurants or recipes, and reading a good book. This summer I spent time in Connecticut, Stone Harbor, Sea Isle City and the Poconos. I also enjoyed the slower days at home. However, planning my wedding is what currently takes up most of my time. I will be getting married in December of this year!

First grade is going to be a wonderful year for each of your children. During the first few weeks of school, we will establish our classroom expectations and routines, build a class community, and dive into our curriculum. I am committed to providing your child with a safe and positive learning environment. Working together will be the key to a successful year, so my door is always open.
